

USA's Schedule

Important Note:

Gnan Vidhi is not a quick fast miracle but it is a science based on correct understanding which needs more time than just attending one Gnan Vidhi session. It will be best if a seeker can spend couple of days in interactive questions answer session (satsang) before the Gnan Vidhi to get a deeper understanding of it. It is also important for the seeker to attend 3-4 days satsang after **Gnan Vidhi** wherever possible.
